Roderick Lean Spiked Tooth Harrows. Made in sections, for one or two horses. Indestructible, made entirely of steel, no malleable parts to break. Guaranteed to be the Lightest draft, most Durable Harrow of its kind on the market.

COLE PLANTERS For

Cotton, Corn and Peas. Also furnished with Fertilizer attachment if desired. This is the most perfect Planter made. It is simple, has no chain, crank or lever. The seed are dropped in a straight line, any depth desired. The quantity of seed is easily regulated. No bunching or skipping with this Planter. The cotton coming up in a straight line can be chopped more rapidly, thus reducing cost of cultivation. The saving in seed and labor will more than pay cost of Planter every season.

These Tools are

[Not Experiments.

Numbers of our best farmers have thrown aside other makes and are using these exclusively.
